

## A Night to Benefit

Bethany's Gait, Inc.

**March 16<sup>th</sup> from 5 PM – 9 PM**

Bethany's Gait is a 501 c 3 non profit that rescues abused and neglected horses and partners them with hurting children and teens – helping all to heal. Staffed completely by volunteers, Bethany's Gait is raising funds to pay for the care the horses need due to the sometimes years of abuse they survived and to continue the programming that allows children and teens hope – often for the first time in their lives.
